

**NEW!**

# Value without compromise

The new **Barum BT 300 R** trailer tyre series offers high level of safety, efficiency and reliable day-to-day performance for the demanding conditions of today's regional and long-distance transportation.

- **Great mileage**
- **High cut resistance**
- **Wet performance**
- **3PMSF marking**

**Barum. A brand of Continental.**

**Barum** 

**Good tyres. Good deal.**

## Main Features

- **Great mileage** - Thanks to wide tread area the new tyre delivers impressive mileage and thus saves operational costs.
- **High cut resistance** - Resists cut and cracks thus helping to extend run out life due to the new tread compound.
- **Wet performance** - Offers reliable and stable driving control over lifetime even in challenging weather.
- **3PMSF marking** - The new sipes design in the center tread area ensures improved safety on wintry roads.

## Tread Compound – Multifunctional polymer

- **High mileage and low rolling resistance**
- **High cut and crack resistance**

## Pattern Highlights

### Straight Shoulder Grooves

Asymmetric profile for maximum durability

### Circumferential Rib Pattern

Excellent driving stability and safe handling as well as low noise emission for best riding comfort

### 3D Center Grooves

Minimum stone trapping and quick stone ejection for increased longevity

### 2D-Pocket-Sipes

Pocket Sipes in center and intermediate tracks to add 3PMSF and positively support the wet performance

## Tyre Sizes

215/75 R 17.5<sup>3)</sup>  
235/75 R 17.5<sup>1)</sup>  
245/70 R 17.5<sup>3)</sup>  
245/70 R 19.5<sup>4)</sup>  
265/70 R 19.5<sup>4)</sup>  
385/65 R 22.5  
385/55 R 22.5  
445/45 R 19.5<sup>2)</sup>

Start of production:  
1) 02/2023, 2) 03/2023, 3) 04/2023, 4) 04/2024

## EU Tyre Label Values\*

Fuel Efficiency: **B-C**  
Wet Braking: **C**  
Noise Level: **A // 70 dB**

\* valid for tyre sizes 385/65 R 22.5 and 385/55 R 22.5
